*As we sing this Hymn of Response, we invite you to listen as the Holy Spirit speaks to you and make the decision for your life as God directs. Come to the altar and kneel before God and pray as Christians in the sanctuary are also praying. If you have decided to accept God's gift of salvation or if you feel led to join this fellowship and serve God here, we invite you to walk to the front of the sanctuary and let the pastor know so that we can all share in the joy of your decision.*

**Closing Prayer**

*AS WE DEPART TO SERVE*  
*As you go, share His love. Be the voice of the savior. Offer hope, speak His peace, let the Gospel be seen in you. For Christ has enabled you and the Spirit shall lead you.*

#### “God is Nigh”

The earliest official reference to using “Taps” at a military funeral is described in an 1891 manual. During the Civil War, a Union soldier “was buried at a time when the battery occupied an advanced position concealed in the woods.” Because it wasn’t safe to fire the customary three volleys over the grave, Captain John Tidball decided the sounding of “Taps” would be an appropriate substitute ceremony.

Previously, “Taps” signaled the end of a soldier’s work day, but it has since come to honor the end of his or her earthly life. Horace Trim’s lyrics remind us of God’s constant presence:

Day is done, gone the sun

From the lakes, from the hills, from the sky

All is well, safely rest

God is nigh.

Thanks and praise for our days

’Neath the sun, ’neath the stars, ’neath the sky

As we go, this we know

God is nigh.
